Dear Mr. Warner

My name is Sherry Cossitt
and I am writing this letter
to talk about Kristy Koldis.
I have lived here at the
Lesser County Jail with
Kristy for the past three
months and in that time I
have gotten to know her
well. Kristy is someone I
would like to have as a sister
because she is a caring, gentle and
kindly oriented person. She
is great listener, gives good advice,
is very helpful, giving and kind.
Kristy always puts others first,
smaller people who do not
deserve it but that is just
the way she is. She is very
kind to all that come in
the door. She doesn't know this
but her voice and a couple of
words from her comforted me
when I first got here and
no one else talked to me.

These words were "Good Morning"
which was so welcoming with
a beautiful smile on her face.
Kristy brings joy to my belly
when she tells me about her
parents as she is so focused
on them and their health.
Most of people can't learn
from her, I lost my purpose
at a young age so she brings
a smile to my face why she
speaks highly of them I wish
I met her on the outside.

Kristy may not know or
believe this but she is a big
part of our unit here. She is
honest, has integrity in the
job she holds here as a
cleaner in our unit as a
laundry worker they say you
don't know someone until
you live with them and I do
believe I live with her constantly.
I will be very sad to see Kristy
leave, but I will be happy to
see her a stronger soul.
